SUBJECT: Correction Board Case of [REDACTED] (9
Feb 98)

From our investigation, the member was authorized to return to duty station via commercial air if military airlift was not available. The problem arose when neither the member's orders nor the personnel in the Patient Administration office directed him to the Traffic Management Office for the commercial tickets. Recommend the orders be corrected to state "Self Procurement of Commercial Airline Tickets Authorized", and that the member be reimbursed for his actual expenses up to the government rate.
