

RECORD OF PROCEEDINGS
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

AUG 25 1998

IN THE MATTER OF:

DOCKET NUMBER: 97-03796

COUNSEL: None

HEARING DESIRED: No

Applicant requests records be corrected to reverse his denial of reenlistment. Applicant's submission is at Exhibit A.

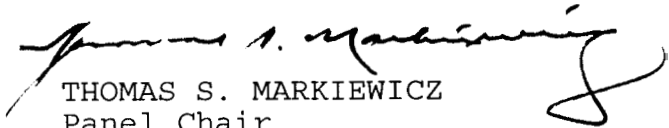

The appropriate Air Force offices evaluated applicant's request and provided an advisory opinions to the Board recommending the application be denied (Exhibit C). The advisory opinions were forwarded to the applicant for review and response (Exhibit D). As of this date, no response has been received by this office.

After careful consideration of applicant's request and the available evidence of record, we find insufficient evidence of error or injustice to warrant corrective action. The facts and opinions stated in the advisory opinion appear to be based on the evidence of record and have not been rebutted by applicant. Absent persuasive evidence applicant was denied rights to which entitled, appropriate regulations were not followed, or appropriate standards were not applied, we find no basis to disturb the existing record.

Accordingly, applicant's request is denied.

The Board staff is directed to inform applicant of this decision. Applicant should also be informed that this decision is final and will only be reconsidered upon the presentation of new relevant evidence which was not reasonably available at the time the application was filed.

Members of the Board Mr. Thomas S. Markiewicz, Mr. Henry Romo, Jr., and Mr. Walter J. Hosey considered this application on 19 August 1998 in accordance with the provisions of Air Force Instruction 36-2603, and the governing statute, 10, U.S.C. 1552.

MEMORANDUM FOR AFBCMR

SUBJECT: Correction of Military Records- [REDACTED]

1. I have reviewed [REDACTED] request for reversal of his appeal for reenlistment and recommend that the board deny his request based upon insufficient evidence. [REDACTED] claims that base officials conspired, coerced, fabricated statements to deny his reenlistment. Specifically, the unit's reasons for denial of his reenlistment were due to financial irresponsibility, abuse of sick leave, and demeanor. Any one of those reasons would be grounds for not recommending reenlistment IAW AFI 36-2612. In his behalf, he submitted unsubstantiated correspondence that was reviewed by his supervisory chain and the decision by his commander to deny reenlistment was affirmed. Proper processing procedures for denial of his reenlistment and appeal action were followed. I found no evidence to support reversal of AFRC Vice Commander's decision to deny [REDACTED] reenlistment.
