

RECORD OF PROCEEDINGS  
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

FEB 19 1999

IN THE MATTER OF:

DOCKET NUMBER: 98-00274

COUNSEL: NONE

HEARING DESIRED: NO

[REDACTED]  
[REDACTED]  
Applicant requests that his date of rank (DOR) be changed from 10 January 1998 to 1 June 1997. Applicant's submission is at Exhibit A.

The appropriate Air Force office evaluated applicant's request and provided an advisory opinion to the Board recommending the application be denied (Exhibit C). The advisory opinion was forwarded to the applicant for review and response (Exhibit D). As of this date, no response has been received by this office.

After careful consideration of applicant's request and the available evidence of record, we find insufficient evidence of error or injustice to warrant corrective action. The facts and opinions stated in the advisory opinion appear to be based on the evidence of record and have not been rebutted by applicant. Absent persuasive evidence applicant was denied rights to which entitled, appropriate regulations were not followed, or appropriate standards were not applied, we find no basis to disturb the existing record.

Accordingly, applicant's request is denied.

The Board staff is directed to inform applicant of this decision. Applicant should also be informed that this decision is final and will only be reconsidered upon the presentation of new relevant evidence which was not reasonably available at the time the application was filed.

Members of the Board Mr. Vaughn E. Schlunz, Mr. Edward C. Koenig, 11, and Mr. Kenneth L. Reinertson considered this application on 17 December 1998, in accordance with the provisions of Air Force Instruction 36-2603 and the governing statute, 10 U.S.C. 1552.

MEMORANDUM FOR AFBCMR

FROM: ANG/DPPU

SUBJECT: Application for Correction of Military Records [REDACTED]  
[REDACTED]

The attached Application for Correction of Military Records submitted by the applicant, a member of the New York Air National Guard, is forwarded for your review and action.

This headquarters recommends denial. The applicant requested his Date of Rank (DOR) be adjusted based on a Revised Extended Unit Manpower Document (EUMD) and Support Personnel Manpower Document (SPMD) for the National Science Foundation (NSF) Mission for the 109th Airlift Wing (AQ). These documents were provided to the 109th AW for planning purposes of their UMD growth. We allow organizations that authority to appoint, assign, enlist, reenlist or extend to fill projected UMD growth positions up to 24 months in advance of the effective date of a UMD growth position to allow for training purposes, this authority can be found in ANGI 36-2101, paragraph 2.2.5.3. We have not nor do we grant authority to promote based upon projected growth for increased promotion potential. This basis for this ruling is the Unit Manning Document (UMD) position must be officially reflected on the base level UMD, which provides the funding for promotion. ANG MPM letter dated 30 Apr 97 also addressed this issue as follows;

"Note that we have opted to grade the NSF mission  
"separately" which enhances the grades. Had we assessed  
the grades for the mission embedded in the 109th THW  
unit the grades would have been lower. All military  
documents, to include "AGR only" programs, are subject  
to review upon implementation of "Grade Justification"  
ANG wide."
