RECORD OF PROCEEDINGS  
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

IN THE MATTER OF:

DOCKET NUMBER: 98-00642

COUNSEL: NONE

HEARING DESIRED:

---

APPLICANT REQUESTS THAT:

His Undergraduate Pilot Training (UPT) Active Duty Service Commitment (ADSC) be amended from 15 November 1998 to 15 November 1997.

---

APPLICANT CONTENDS THAT:

His eight-year ADSC doesn't match the seven-year ADSC given to some other graduates of the same UPT course.

Applicant's complete statement and documentary evidence submitted in support of his application are included as Exhibit A.

---

STATEMENT OF FACTS:

On 20 January 1989, applicant signed an ADSC Statement of Understanding stating he had read AFR 36-51 and understood and agreed to all ADSCs associated with his selection to UPT.

---

AIR FORCE EVALUATION:

HQ AFPC/DPPRS recommends that the application be denied. It is indicated that at the acceptance of UPT, applicant was aware of his eight-year ADSC and fully prepared to incur the commitment. The basis of his argument is that other officers in his class did not incur an ADSC as long as his ADSC. Between 15 June 1987 and 15 June 1988, the Air Force increased the ADSC for UPT from seven to eight years. Officers already committed to attend UPT via cadet contracts were grandfathered and given the lesser ADSC of seven years. These grandfathered officers were USAF Academy cadets and AFROTC cadets accepted as pilot candidates. It is not unexpected that some of these cadets were in training with applicant.

The officers who incurred a seven-year ADSC had previously been contracted by the Air Force to attend UPT. The Air Force was fulfilling its commitment to their contracts by maintaining the

■

seven-year ADSC. Applicant was not contracted to attend UPT until well after the 15 June 1988 change to the eight-year ADSC (Exhibit C with Attachments 1 and 2).

---

APPLICANT'S REVIEW OF AIR FORCE EVALUATION:

A copy of the Air Force advisory opinion was made available to the applicant for review and comment on 18 May 1998; however, to date, he has failed to respond.

---

THE BOARD CONCLUDES THAT:

1. The applicant has exhausted all remedies provided by existing law or regulations.
2. The application was timely filed.
3. Insufficient relevant evidence has been presented to demonstrate the existence of probable error or injustice. We took notice of the applicant's complete submission in judging the merits of the case; however, we agree with the opinion and recommendation of the Air Force office of primary responsibility and adopt their rationale as the basis for our conclusion that the applicant has not been the victim of an error or injustice. Therefore, in the absence of evidence to the contrary, we find no compelling basis to recommend granting the relief sought in this application.

---

THE BOARD DETERMINES THAT:

The applicant be notified that the evidence presented did not demonstrate the existence of probable material error or injustice; that the application was denied without a personal appearance; and that the application will only be reconsidered upon the submission of newly discovered relevant evidence not considered with this application.

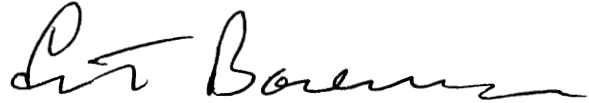

---

The following members of the Board considered this application in Executive Session on 26 June 1998, under the provisions of AFI 36-2603:

MEMORANDUM FOR AFBCMR

FROM: HQ AFPC/DPPRS  
550 C ST West, Suite 11  
Randolph AFB TX 78150-4713

SUBJECT: Application for Correction of Military Records - [REDACTED]

Requested Action: [REDACTED] requests an active duty service commitment (ADSC) for advance flying training be reduced to 15 Nov 97 vice 15 Nov 98.

Basis for Request: [REDACTED] requests the change in the ADSC due to other members of the same class receiving only a seven year ADSC for the same training. Because of the ADSC he is not eligible for the Aviation Continuation Pay (ACP). If the ADSC were curtailed he would be eligible for ACP.

FACTS:

a. The ADSC program assures a reasonable return to the Air Force for the costs incurred in training. ADSCs are routinely incurred for such commonplace events as permanent change of station (PCS), training, education, and promotion. This was clearly stated in AFR 36-51 Active Duty Service Commitment Table 4 Rule 6, dated 28 Feb 92 (Atch 1). This reference also clearly delineates the ADSC to be incurred for each type of event. If any Air Force member is unsure of the ADSC he/she will incur, the AFR provided a ready resource of clear, unambiguous, and authoritative information.

b. On 20 Jan 89 [REDACTED] signed an ADSC Statement of Understanding stating he had read AFR 36-51 and understood and agreed to all ADSCs associated with his selection to Undergraduate Pilot Training (UPT) (Atch 2).

DISCUSSION:

a. At the acceptance of UPT [REDACTED] was aware of his 8 year ADSC and fully prepared to incur the commitment. The basis of his argument is that other officers in his class did not incur an ADSC as long as his ADSC. Between 15 Jun 87 and 15 Jun 88 the Air Force increased the ADSC for UPT from 7 to 8 years. Officers already committed to attend UPT via cadet contracts were grandfathered and given the lesser ADSC of 7 years. These grandfathered officers were United States Air Force Academy cadets and AF ROTC cadets

98 00642

accepted as pilot candidates. It is not unexpected that some of these cadets were in training with [REDACTED]

b. The officers who incurred a 7 year ADSC had previously been contracted by the Air Force to attend UPT. The Air Force was fulfilling our commitment to their contracts by maintaining the 7 year ADSC. [REDACTED] was not contracted to attend UPT until well after the 15 Jun 88 change to the 8 year ADSC.

RECOMMENDATION: Denial

a. The documentation clearly shows [REDACTED] was aware of the 8 year ADSC he was going to incur upon acceptance of UPT. The fact that other students incurred a different ADSC for the same training does not mitigate his acceptance of that ADSC. All officers who attended the training were expected to fulfill their contract with the USAF. Specifically, in [REDACTED] case that commitment included an 8 year ADSC.

b. However, if the decision is to grant the relief sought, the record should be corrected to show [REDACTED] with an ADSC of 15 Nov 97 for UPT instead of 15 Nov 98. HQ AFPC/DPPRS can correct the personnel data system (PDS) [REDACTED] application is approved.

c. If you have any questions concerning the ADSC, POC is TSgt Pullen, HQ AFPC/DPPRP, DSN 487-5622

3. Students admitted to USUHS after 31 December **1991** incur a Reserve Service obligation **upon** completion of, or release from, the active-duty service obligation. A member who served on active-duty for less **than** 10 years serves in the Ready Reserve for a period **as** specified by DoD Directives.

4. A participant incurs an active duty obligation (ADO) of 8 years for **any** period of program participation. However, the individual serves in the Indefinite Ready Reserve (IRR) any portion of the ADO that exceeds a **minimum** of 2 years or the actual number of years of program participation (**112** year for each 1/2 year sponsorship). **EXCEPTION:** If the Secretary of the Air Force and the individual participant may **mutually** agree that the said portion, or a part thereof, will be served on active duty. The individual then serves this **portion** of the 8-year **ADO** at the completion of **any** additional **ADO** incurred for graduate professional education.; Also subject to mutual agreement, a participant may fulfill the **IRR** service period in the Selected Reserve.

SUBJECT: ADSC Statement of Understanding

TO: HQ AFMPC/DPAPC4

I have read AFR 36-51, and I understand and agree to serve all active duty service commitments (ADSC) associated with my selection for undergraduate flying training (UFT). I am aware that I will receive a permanent change of station (PCS) ADSC in conjunction with my reassignment to a UFT base to be served concurrently with any previous applicable ADSC, and that I will receive the appropriate UFT commitment on award of my aeronautical rating. Also, I fully understand and agree to serve the appropriate ADSC if I am eliminated or withdrawn from UFT. Finally, I understand that at the time of award of my UFT ADSC (whether resulting from award of the aeronautical rating, elimination, or withdrawal from training), my date of separation (DOS) will be adjusted to match my UFT-associated ADSC if my DOS is less than the applicable ADSC.
