AIR FORCE EVALUATION:

The Chief, Appeals and SSB Branch, AFPC/DPPPA, reviewed this application and states that the applicant's request is unfounded. They quote AFR 36-10 (C1), Para 1f as stating: "Item 10, Name and Title of Course. Enter title of major subject or problems presented or discussed." There is no provision to include a duty title in item 10 of the TR. Hence, the entry in item 10 is appropriate as it names the major subject studied while the applicant was attending the Air Force Institute of Technology (AFIT). They note the applicant's duty title was mentioned in section III on both reports. They conclude the reports were completed in direct accordance with Air Force policy in effect at the time they were written. Therefore, they recommend denial of applicant's request.

A complete copy of the evaluation is attached at Exhibit C.

APPLICANT'S REVIEW OF AIR FORCE EVALUATION:

On 13 April 1998, a copy of the Air Force evaluation was forwarded to the applicant for review and response within 30 days. As of this date, no response has been received by this office.

THE BOARD CONCLUDES THAT:

1. The applicant has exhausted all remedies provided by existing law or regulations.

2. The application was not timely filed; however, it is in the interest of justice to excuse the failure to timely file.

3. Insufficient relevant evidence has been presented to demonstrate the existence of probable error or injustice. We took notice of the applicant's complete submission in judging the merits of the case; however, we agree with the opinion and recommendation of the Air Force and adopt their rationale as the basis for the conclusion that the applicant has not been the victim of an error or injustice. Therefore, in the absence of evidence to the contrary, we find no compelling basis to recommend granting the relief sought in this application.

THE BOARD DETERMINES THAT:

The applicant be notified that the evidence presented did not demonstrate the existence of probable material error or injustice; that the application was denied without a personal appearance; and that the application will only be reconsidered upon the submission of newly discovered relevant evidence not considered with this application.
