MEMORANDUM OF CONSIDERATION OF APPLICATION BEFORE THE AFBCMR

T: [REDACTED]

Having carefully reviewed this application, we agree with the recommendation of the Air Force and adopt the rationale expressed as the basis for our decision that the applicant has been the victim of either an error or an injustice. MEMORANDUM FOR AFBCMR

FROM: HQ AFPC/DPPTTR

Randolph AFB TX 78150-4713

SUBJECT: Application for Correction of Military Records

Reference: [REDACTED]

Requested Correction: The applicant is requesting corrective action that would allow him to terminate spouse coverage under the Survivor Benefit Plan (SBP) and his wife concurs in his request.

Basis for Request: The applicant claims during outprocessing he stated he did not want SBP and he thought all the required paperwork was properly completed.

Background: When a member fails to complete an SBP election prior to retirement, coverage is established for all eligible beneficiary(ies) by operation of law.

Facts: The applicant was married and had dependent children when he retired effective 1 Apr 98; however, he did not complete an SBP election prior to that date. Consequently, the Defense Finance and Accounting Service - Cleveland Center (DFAS-CL) established coverage based on full retired pay to comply with the law.

Discussion: Records at [REDACTED] indicate an SBP printout was not provided to the counselor prior to the retiree's outprocessing. Although it is the member's ultimate responsibility to ensure his retired pay was properly established the possibility of error exists. It would be inappropriate to penalize the applicant for an administrative error; however, our authority to correct administrative errors under Title 10, Section 1454, has expired.

Recommendation: We recommend the member's record be corrected to show on 31 Mar 98 he declined SBP coverage and his wife concurred in his election.
