SUBJECT: Application for Correction of Military Record
[REDACTED]

1. The requested correction cannot be accomplished administratively at this headquarters.
2. The applicant is requesting satisfactory service be granted for Retirement Year Ending (RYE) 23 February 1997.
3. The following is an analysis of the circumstances surrounding the case:
 - a. Applicant was in the U.S. Air Force Reserve from 24 February 1989 to 30 August 1995. transferred to the Individual Mobilization Augmentee (IMA) program on 31 August 1995.
 - b. Applicant states was improperly advised on when to complete annual tour. It is apparent there was miscommunication between the applicant, the Base IMA Administrator and the squadron IMA Administrator. If annual tour had been completed after 23 February 1996 it would have given a satisfactory year for RYE 1997.
 - c. For RYE 23 February 1997, applicant earned 0 Active Duty (AD) points, 24 Inactive Duty Training (IDT) points, 0 Extension Course Institute (ECI) points and 15 membership points for 39 total retirement points and an unsatisfactory year of Federal service.
4. We recommend this application be approved since applicant was participating in good faith. The applicant completed annual tour in December 1996 as advised, if the annual tour had been delayed the applicant would have had a satisfactory year of service.
