MEMORANDUM FOR THE CHIEF OF STAFF

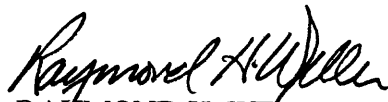

Under the authority of Section **1552**, Title **10**, United States Code, Air Force Instruction **36-2603**, and having assured compliance with the provisions of the above regulation, the decision of the Air Force Board for Correction of Military Records is announced, and it is directed that:

The pertinent military records of the Department of the Air Force relating to _____, be corrected to show that the Senior Enlisted Performance Report, AF Form **911**, rendered for the period **28 September 1996** through **18 October 1997**, be amended in Block 1, Item **7**, Period of Report, to reflect "**28 September 1996** through **30 September 1997**, and Item **8**, ~~Number~~ of Days Supervision, to reflect "**102**".

It is further directed that his record, to include the Senior Enlisted Performance Report, AF Form **911**, rendered for the period **28 September 1996** through **30 September 1997**, be provided supplemental consideration for promotion to the grade of senior master sergeant for all appropriate cycles beginning with cycle **98E8**.

If AFPC discovers any adverse factors during or subsequent to supplemental consideration that are separate and apart, and unrelated to the issues involved in this application, that would have rendered the applicant ineligible for the promotion, such information will be documented and presented to the board for a final determination on the individual's qualification for the promotion.

If supplemental promotion consideration results in the selection for promotion to the higher grade, immediately after such promotion the records shall be corrected to show that he was promoted to the higher grade on the date of rank established by the supplemental promotion and that he is entitled to all pay, allowances, and benefits of such grade as of that date.

MEMORANDUM FOR AFBCMR

FROM: HQ AFPC/DPPPWB
550 C Street West, Ste 9
Randolph AFB TX 78150-4711

SUBJECT: Application for Correction of Military Records

Requested Action. The applicant is requesting the AFBCMR allow his records to meet the E8 Senior Master Supplemental Board. We will address the supplemental promotion consideration issue should the request be approved.

Reason for Request. The applicant believes he was done an injustice, because the reporting officials were late with his Enlisted Performance Report (EPR) and the report was not filed in his records in the time required, even after being notified by the 60 MSSQ and HQ AFPC of the Board.

Facts. The EPR closing 27 Oct 97, was not filed in his record until after the applicant retired and the close out date is after 30 Sep 97, the Promotion Eligibility Cutoff Date (PECD) for the 98E8 promotion cycle.

Discussion. We have no objections to the applicant being provided supplemental promotion consideration to SMSgt for the 98E8 cycle. He could not be considered before his 1 Apr 98 retirement (Board convened 2 Feb 98) because he did not have a new Enlisted Performance Report (EPR) since his consideration from the previous cycle. His most recent EPR covers a period 28 Sep 96 through 18 Oct 97. It is an annual report with 120 days supervision. However, because the EPR closes out after the Promotion Eligibility Cutoff Date (PECD), 30 Sep 97, for the 98E8 cycle, it is ineligible for consideration. If the Board changes the close out date to 30 Sep 97, the number of days supervision to 102 days, and the reason for the report to read Directed By HAF, it would be eligible for consideration. Should the Board chose to correct the EPR and direct supplemental consideration for the 98E8 cycle, it could be provided by our next scheduled board after receipt of AFBCMR Memorandum (this recommendation coordinated with AFPC/DPPPEP, 14 Sep 98).
