MEMORANDUM OF CONSIDERATION OF APPLICATION BEFORE THE AFBCMR

SUBJECT: [REDACTED]

Having carefully reviewed this application, we agree with the recommendation of the Air Force office of primary responsibility and adopt the rationale expressed as the basis for our decision that the applicant has been the victim of either an error or an injustice. Therefore, under the authority delegated in AFI 36-2603, the applicant's records will be corrected as set forth in the accompanying Memorandum for the Chief of Staff signed by the Executive Director of the Board or his designee.

MEMORANDUM FOR AFBCMR

FROM: HQ AFPC/DPPPA

SUBJECT: [REDACTED]

Requested Action. The applicant requests the Board remove the letter he wrote to the CY98B (1 Jun 98) (P0598B) central lieutenant colonel selection board president.

Basis for Request. The applicant's officer selection record (OSR) has been corrected and the letter to the P0598B board president is no longer necessary.

Recommendation. Approval.

Facts and Comments:

a. The application is timely. Application under AFI 36-2401, Correcting Officer and Enlisted Evaluation Reports, is not appropriate because the issue addressed in this appeal is not within the purview of that directive. The applicant has one nonselection to the grade of lieutenant colonel by the P0598B board.

b. AFI 36-2501, Officer Promotions and Selective Continuation, 6 Mar 98, is the governing directive.

c. The applicant filed an appeal under AFI 36-2603, The Air Force Board for Corrections of Military Records, requesting he receive special selection board (SSB) consideration by the P0598B board with inclusion of completion of Air Command Staff College (ACSC) in May 98 on his officer selection brief (OSB). We approved his request under our delegated authority and the applicant is scheduled to receive SSB consideration in Jan 99. As such, we request the Board make a decision on this appeal **as expeditiously as possible**.

d. The applicant now requests the Board remove the letter he wrote to the P0598B board president explaining why his successful completion of Air Command and Staff College (ACSC) was omitted from his P0598B OSB. Since ACSC completion in May 98 will be present on the P0598B OSB used for his SSB consideration in Jan 99, the applicant's letter is no longer necessary. We, therefore, would not be opposed to the Board granting the applicant's request to remove the letter from his OSR prior to his SSB consideration scheduled in Jan 99.

Summary. Based on the evidence provided, our recommendation of approval is appropriate.
