MEMORANDUM FOR AFBCMR

FROM: HQ AFPCIDPPPAB
550 C Street West, Suite 8
Randolph AFB TX 78150-4710

SUBJECT: AFI 36-2603 Application [REDACTED]

Requested Action. The applicant requests the Board remove the letter he wrote to the CY98B (6 Apr 98) (P0498B) central major selection board president.

Basis for Request. The applicant's officer selection record (OSR) has been corrected and the letter to the P0498B board president is no longer necessary.

Recommendation. Approval.

Facts and Comments:

a. The appeal is timely. Application under AFI 36-2401. Correcting Officer and Enlisted Evaluation Reports, 1 Dec 97, is not appropriate as the issue raised in this appeal is not within the purview of that directive. The applicant has two nonselections to the grade of major by the CY97C (16 Jun 97) (P0497C) and P0498B boards.

b. AFI 36-2501, Officer Promotions and Selective Continuation, 6 Mar 98, is the governing directive.

c. The applicant filed an appeal under AFI 36-2401, requesting he receive special selection board (SSB) consideration by the P0497C and P0498B boards with the removal of an AF Form 475, Training Report, closing out 9 Jun 96, from his OSR. His request was approved by the Evaluation Report Appeal Board, and he is tentatively scheduled to receive SSB consideration for the P0498B board in May 99 (the applicant is currently scheduled to receive SSB consideration for the P0497C board in Jan 99). As such, we request the Board make a decision on this appeal as expeditiously as possible.

d. The applicant now requests the Board remove the letter he wrote to the P0498B board president explaining the misleading AF Form 475. Since the AF Form 475 is no longer a part of his OSR, the applicant's letter is no longer necessary. We, therefore, would not

be opposed to the Board granting the applicant's request to remove the letter from his OSR prior to his SSB consideration tentatively scheduled in May 99.

Summary. Based on the evidence provided, our recommendation of approval is appropriate.
