Ap for request of Military R 1 - [REDACTED]

Requested Action and Basis for Request. Restore 12.5 days' leave lost at FY98 year-end balancing due to assignment and participation with the Thunderbirds.

Facts and Discussion. Applicant had 47.5 days on 1 Oct 97, used 5 days during FY98, and had 72.5 days on 30 Sep 98. He lost 12.5 days on 1 Oct because under 10 USC 701 members cannot carry more than 60 days into the next FY. He lost 12.5 days due to the Thunderbirds' strenuous training and performance schedule. His commander states that during the 1998 season, the applicant **was TDY** over 200 days during which taking leave **was** unfeasible. Further, the 3-month training season involved a syllabus with an intensive flying schedule that did not provide the applicant with an opportunity to take leave. We support granting relief because applicant **was** unable to take leave due to the Thunderbirds' demonstration and training season schedules.

Recommendation. Restore 12.5 days to current leave account.
