# ADDENDUM TO RECORD OF PROCEEDINGS AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

IN THE MATTER OF: DOCKET NUMBER: BC-2010-02260

COUNSEL: NONE

HEARING DESIRED: YES

## APPLICANT REQUESTS THAT:

His non-selections for promotion to the grade of major be removed from his records.

### STATEMENT OF FACTS:

On 1 Feb 11, the Board considered and denied the applicant's request to remove his non-selections for promotion to the grade of major. A complete copy of the Record of Proceedings is attached at Exhibit E (with Exhibits A through D).

By application, dated 20 Jan 12, the applicant requests reconsideration of his request, contending his experience and skill set are in high demand and is highly qualified to serve in the Air National Guard (ANG) as a skilled professional aviator which will allow the ANG to cut costs in training new recruits.

In support of the appeal, the applicant submits excepts from his personnel and medical records, copies of his travel documents, a Memorandum of Understanding for Medical Waiver Request, a copy of his fitness score, and a printout of his awards and decorations.

Applicant's complete submission, with attachments, is at Exhibit F.

#### THE BOARD CONCLUDES THAT:

1. In earlier findings, the Board determined there was insufficient evidence to warrant any corrective action. After thoroughly reviewing the additional documentation submitted in support of his appeal and the evidence of record, we do not believe the applicant has overcome the rationale expressed in our previous decision. In addition, the Board would like to point out that the applicant can request a waiver when applying to join another service. However, it should be noted that the waiver process is not automatic, but is based on the needs of the service at the time of application. Therefore, in view of the above, and in the absence of evidence to the contrary, we find no

basis upon which to recommend favorable consideration of the applicant's request.

2. The applicant's case is adequately documented and it has not been shown that a personal appearance with or without counsel will materially add to our understanding of the issue involved. Therefore, the request for a hearing is not favorably considered.

#### THE BOARD DETERMINES THAT:

The applicant be notified that the evidence presented did not demonstrate the existence of material error or injustice; that the application was denied without a personal appearance; and that the application will only be reconsidered upon the submission of newly discovered relevant evidence not considered with this application.
