

AIR FORCE EVALUATION:

AFPC/DPWC recommends approval of remitting the debt. The applicant was under full SGLI since October 2005 and monthly premiums were deducted from his pay. In April 2006, records show a computer transaction from the Military Personnel Data System (MILPDS) arrived into the finance system and stopped the SGLI premiums effective October 2005. This transaction caused the finance system to refund the premiums collected during that time. In October 2011, a transaction was sent by MILPDS to the finance system to restart the SGLI premiums effective October 2005, which created the debt.

DPWC opines the computer transaction in April 2006 was the result of the applicant attempting to decline SGLI. However, the declination was never placed into his official record. His current duty station reviewed his records and found the October 2005 SGLI election. Accordingly, it updated MILPDS to reflect that election thus creating the debt. The applicant challenged the change; however, he could not produce the SGLV 8286 from April 2006 declining coverage.

The computer transaction in April 2006 shows the applicant's intent to stop the SGLI coverage. He should be relieved of the debt incurred.

The complete DPWC evaluation is at Exhibit C.

APPLICANT'S REVIEW OF THE AIR FORCE EVALUATION:

A copy of the Air Force evaluation was forwarded to the applicant on 11 May 2012, for review and comment within 30 days. As of this date, no response has been received by this office (Exhibit D).

THE BOARD CONCLUDES THAT:

1. The applicant has exhausted all remedies provided by law or regulations.
2. The application was timely filed.
3. Sufficient relevant evidence has been presented to demonstrate the existence of an error or injustice to warrant relief. After thoroughly reviewing the evidence submitted in support of his appeal, we agree with the Air Force office of primary responsibility assessment that sufficient evidence has been provided to show the applicant's intent to stop his SGLI. It appears that due to administrative errors beyond the applicant's control, reinstatement of full SGLI coverage was erroneously

completed. Accordingly, we recommend his records be corrected as indicated below.

THE BOARD DETERMINES THAT:

The pertinent military records of the Department of the Air Force relating to APPLICANT, be corrected to show that he executed SGLV 8286, *Servicemembers' Group Life Insurance Election and Certificate*, declining any and all coverage, effective 24 October 2005.
