

RECORD OF PROCEEDINGS
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

IN THE MATTER OF:

DOCKET NUMBER: BC-2012-01373

COUNSEL: NONE

HEARING DESIRED: NO

APPLICANT REQUESTS THAT:

Her Fitness Assessments (FA) dated 2 Dec 2009 and 22 Feb 2010 be removed from the Air Force Fitness Management System (AFFMS).

APPLICANT CONTENDS THAT:

She should have been exempted from the FA dated 2 Dec 2009 and 22 Feb 2010 due to her medical issues during the period 2009 through 2010. She never had a history of FA failures until her surgeries

Since her recovery, she continues to pass her FA.

In support of her request, the applicant provides copies of extracts from her medical records.

The applicant's complete submission, with attachments, is at Exhibit A.

STATEMENT OF FACTS:

The applicant is currently serving in the Air Force in the grade of technical sergeant (TSgt, E-6).

THE AIR FORCE EVALUATION:

HQ AFPC/DPSIM recommends denial. DPSIM states on 24 Apr 2012, a memorandum was sent to the applicant requesting additional documentation. Specifically, copies of the AF Form 422, *Notification of Air Force Member's Qualification Status*, indicating physical limitations. The member did not provide the requested documentation.

The complete DPSIM evaluation is at Exhibit B.

APPLICANT'S REVIEW OF THE AIR FORCE EVALUATION:

On 26 Jul 2012, a copy of the Air Force evaluation was forwarded to the applicant for review and comment within 30 days. As of this date, no response has been received by this office (Exhibit C).

THE BOARD CONCLUDES THAT:

1. The applicant has exhausted all remedies provided by existing law or regulations.
 2. The application was timely filed.
 3. Sufficient relevant evidence has been presented to demonstrate the existence of an error or injustice warranting relief. We note the office of primary responsibility (OPR) recommends denial based on the fact the applicant did not provide the requested documentation to support her claim. However, after reviewing the evidence, it is clear the applicant had a chronic knee ailment that interfered with her ability to perform an important portion of her FA. As such, we find the evidence sufficient to warrant removing the FA's from the AFFMS. Therefore in the interest of justice, we recommend her records be corrected as indicated below.
-

THE BOARD RECOMMENDS THAT:

The pertinent military records of the Department of the Air Force relating to APPLICANT, be corrected to show that her FA dated 2 Dec 2009 and 22 Feb 2010, be removed from the AFFMS.
