

RECORD OF PROCEEDINGS
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

IN THE MATTER OF:

DOCKET NUMBER: BC-2012-01434
COUNSEL: NONE
HEARING DESIRED: NO

APPLICANT REQUESTS THAT:

His reentry (RE) code of 5C, which denotes "Air Force Reserve Ineligible, Failure to Meet Fitness Standards" be changed.

APPLICANT CONTENDS THAT:

His RE code is for a member who is ineligible to reenlist due to weight management. He has always been within weight standards, and while deployed for five months; a physical readiness test was never conducted.

In support of his request, the applicant provides a copy of his DD Form 214, *Certificate of Release or Discharge from Active Duty*.

The applicant's complete submission, with attachment, is at Exhibit A.

STATEMENT OF FACTS:

The remaining relevant facts pertaining to this application are contained in the letter prepared by the appropriate office of the Air Force, which is attached at Exhibit B.

AIR FORCE EVALUATION:

AFRC/A1K recommends denial. The RE code of 5C reported on the applicant's DD Form 214 is correct as supported by the AF Form 910, *Enlisted Performance Report (AB thru TSgt)* rendered during the period 1 Dec 08 thru 30 Nov 10 and AF IMTs 1411, *Extension or Cancellation of Extensions of Enlistment in the Regular Air Force/Air Force Reserve*, dated 12 Sep 10 and 15 May 11. Each form notes the applicant's failure to meet fitness standards. Given such, and since the applicant did not provide any documentation to substantiate an error was made, there is no basis for correction.

The complete AlK evaluation, with attachments, is at Exhibit B.

APPLICANT'S REVIEW OF AIR FORCE EVALUATION:

A copy of the Air Force evaluation was forwarded to the applicant on 19 Jun 12 for review and comment within 30 days (Exhibit C). As of this date, this office has not received a response.

THE BOARD CONCLUDES THAT:

1. The applicant has exhausted all remedies provided by existing law or regulations.
 2. The application was timely filed.
 3. Insufficient relevant evidence has been presented to demonstrate the existence of an error or injustice. After careful consideration of the circumstances of this case, we are not persuaded the applicant's reentry code is in error or unjust. Therefore, we agree with the opinion and recommendation of the Air Force office of primary responsibility and adopt its rationale as the basis for our conclusion the applicant has not been the victim of an error or injustice. In view of the above and in the absence of evidence to the contrary, we find no basis to recommend granting the relief sought in this application.
-

THE BOARD DETERMINES THAT:

The applicant be notified that the evidence presented did not demonstrate the existence of material error or injustice; that the application was denied without a personal appearance; and that the application will only be reconsidered upon the submission of newly discovered relevant evidence not considered with this application.
