

RECORD OF PROCEEDINGS  
AIR FORCE BOARD FOR CORRECTION OF MILITARY RECORDS

IN THE MATTER OF:

DOCKET NUMBER: BC-2012-02395  
COUNSEL: NONE  
HEARING DESIRED: NO

---

APPLICANT REQUESTS THAT:

His Fitness Assessment dated 30 Jan 12 be removed from the Air Force Fitness Management System (AFFMS).

---

APPLICANT CONTENDS THAT:

After failing the FA test he received a medical evaluation that determined he had a previously unidentified medical condition and should have been profiled differently for the test on 30 Jan 12. The 55 MDG/SGP recommends the test be invalidated. He provides a memorandum from his provider, dated 21 Feb 12, that states he had medical conditions that precluded him from achieving a passing FA score.

In support of his request, the applicant provides a copy of his commander's request for a medical evaluation, a copy of his AF Form 108, *Physical Fitness Education and Intervention Processing*, and a copy of his FA scores.

His complete submission, with attachments, is at Exhibit A.

---

STATEMENT OF FACTS:

The applicant is currently serving on active duty in the grade of senior airman (E-4).

The applicant's last five FA scores are as follows:

<u>DATE</u>	<u>SCORE</u>
5 Oct 10	SATISFACTORY
21 Apr 11	UNSATISFACTORY
28 Jul 11	UNSATISFACTORY
13 Oct 11	UNSATISFACTORY
* 30 Jan 12	UNSATISFACTORY

\*Contested FA score.

The remaining relevant facts pertaining to this application are contained in the letter prepared by the appropriate office of the Air Force, which is at Exhibit C.

---

AIR FORCE EVALUATION:

AFPC/DPSIM recommends denial stating that the applicant was asked to provide the AF Form 469, *Duty Limiting Condition Report*, and AF Form 422, *Physical Profile Serial Report*; however, he has not responded to their request.

The complete DPSIM evaluation, with attachment, is at Exhibit C.

---

APPLICANT'S REVIEW OF AIR FORCE EVALUATION:

A copy of the Air Force evaluation was forwarded to the applicant on 17 Sep 12 for review and comment within 30 days. As of this date, this office has received no response.

---

THE BOARD CONCLUDES THAT:

1. The applicant has exhausted all remedies provided by existing law or regulations.
  2. The application was timely filed.
  3. Insufficient relevant evidence has been presented to demonstrate the existence of error or injustice. We took notice of the applicant's complete submission in judging the merits of the case. While the applicant contends he had a medical condition and should have been profiled for the test on 30 Jan 12, we do not find the evidence provided sufficient to conclude that his alleged medical condition precluded him from receiving a fair FA. In view of this, and noting there was no documentation located or provided that indicates the applicant was unable to complete his FA, we find no basis to recommend granting the relief sought in this application.
