## AIR FORCE DISCHARGE REVIEW BOARD DECISIONAL RATIONALE

FD-2004-00448

**GENERAL:** The applicant appeals for upgrade of discharge to honorable.

The applicant was offered a personal appearance before the Discharge Review Board (DRB) but declined to exercise this right.

The attached brief contains available pertinent data on the applicant and the factors leading to the discharge.

**FINDINGS**: Upgrade of discharge is denied.

The Board finds the applicant submitted no issues contesting the equity or propriety of the discharge, and after a thorough review of the record, the Board was unable to identify any that would justify a change of discharge.

## **ISSUES:**

Issue 1. Applicant contends his ability to serve was impaired by his financial situation. The records indicated the applicant received general discharge for misconduct--minor disciplinary infractions. Member received an Article 15 and five Letters of Reprimand. His misconduct included being absent with authority, deception and financial irresponsibility, failure to follow orders and lying, late for work on multiple occasions, civil arrest for driving under the influence, and falsifying an official government document. The DRB opined that through these administrative actions, the applicant had ample opportunities to change his negative behavior. The Board concluded the misconduct was a significant departure from conduct expected of all military members. The characterization of the discharge received by the applicant was found to be appropriate.

Issue 2 applies to the applicant's post-service activities. The DRB was pleased to see that the applicant was doing well and has a good job. However, no inequity or impropriety in his discharge was suggested or found in the course of the hearing. The Board concluded the misconduct of the applicant appropriately characterized his term of service.

**CONCLUSIONS:** The Discharge Review Board concludes that the discharge was consistent with the procedural and substantive requirements of the discharge regulation and was within the discretion of the discharge authority and that the applicant was provided full administrative due process.

In view of the foregoing findings the Board further concludes that there exists no legal or equitable basis for upgrade of discharge, thus the applicant's discharge should not be changed.

- 3. The Letter of Notification with attachments will be forwarded to the separation authority in support of this recommendation. The commander exercising SPCM jurisdiction (5 BW/CC) or a higher authority will decide whether you will be discharged or retained in the Air Force, and if you are discharged, how your service will be characterized. If you are discharged, you will be ineligible for reenlistment in the Air Force.
