AIR FORCE DISCHARGE REVIEW BOARD DECISIONAL RATIONALE

CASE NUMBER

FD-2005-00194

GENERAL: The applicant appeals for upgrade of discharge to honorable.

The applicant was offered a personal appearance before the Discharge Review Board (DRB) but declined to exercise this right.

The attached brief contains available pertinent data on the applicant and the factors leading to the discharge.

FINDINGS: Upgrade of discharge is denied.

The Board finds the applicant submitted no issues contesting the equity or propriety of the discharge, and after a thorough review of the record, the Board was unable to identify any that would justify a change of discharge.

ISSUE: The records indicated the applicant received two Article 15s. One for writing bad checks, and the other for being AWOL, Failure to Go, making false official statements on various occasions and for falsely signing an official record. The DRB opined that through these administrative actions, the applicant had ample opportunities to change her negative behavior. The Board concluded the misconduct was a significant departure from conduct expected of all military members. The characterization of the discharge received by the applicant was found to be appropriate.

CONCLUSIONS: The Discharge Review Board concludes that the discharge was consistent with the procedural and substantive requirements of the discharge regulation and was within the discretion of the discharge authority and that the applicant was provided full administrative due process.

In view of the foregoing findings the Board further concludes that there exists no legal or equitable basis for upgrade of discharge, thus the applicant's discharge should not be changed.
