# AIR FORCE DISCHARGE REVIEW BOARD DECISIONAL RATIONALE

FD-2005-00264

GENERAL: The applicant appeals for upgrade of discharge to honorable.

The applicant was offered a personal appearance before the Discharge Review Board (DRB) but declined to exercise this right.

The attached brief contains available pertinent data on the applicant and the factors leading to the discharge.

**FINDINGS**: Upgrade of discharge is denied.

The Board finds that neither the evidence of record nor that provided by the applicant substantiates an inequity or impropriety that would justify a change of discharge.

**ISSUE**: Applicant does not contest his discharge. He states that since his discharge, he has been a model citizen and has not been in any trouble with the law. The records indicated the applicant received an Article 15 for wrongfully possessing some amount of marijuana, concealing the fact that he had used marijuana prior to coming in the Air Force, failing to remain on Sheppard AFB, wearing civilian clothes, riding in a POV and for failing to return to and remain in his dormitory room. The DRB opined that through these administrative actions, the applicant had ample opportunities to change his negative behavior. The Board concluded the misconduct was a significant departure from conduct expected of all military members. The characterization of the discharge received by the applicant was found to be appropriate.

**CONCLUSIONS:** The Discharge Review Board concludes that the discharge was consistent with the procedural and substantive requirements of the discharge regulation and was within the discretion of the discharge authority and that the applicant was provided full administrative due process.

In view of the foregoing findings the Board further concludes that there exists no legal or equitable basis for upgrade of discharge, thus the applicant's discharge should not be changed.

Issue 1: Since my discharge from the Air Force, I have been a model citizen. I have not been in any trouble with the law. Please feel free to conduct a complete background check for evidence. I am currently applying for a position with the FAA and I do not wish my type of discharge to affect suitability in being hired by the FAA. I am now married with three children plus one on the way and I would like to be able to support my family without being affected by a mistake I made ten years ago. Thank you.
