AIR FORCE DISCHARGE REVIEW BOARD DECISIONAL RATIONALE

FD-2006-00258

GENERAL: The applicant appeals for a change in the reason and authority for his discharge.

The applicant appeared and testified before the Discharge Review Board (DRB), with counsel--Mr. from the American Legion, at Andrews AFB on 19 June 2007. The following witnesses also testified on the applicant's behalf: his mother, Mrs. and Mr.

The following additional exhibits were submitted at the hearing: Exhibit #5: American Legion statement with Attachments

The attached brief contains available pertinent data on the applicant and the factors leading to the discharge.

FINDINGS: Change of reason and authority for the discharge is granted. The board does not grant the request to change the discharge to a Convenience of the Government discharge, but instead changes the reason to Secretarial Authority.

ISSUE:

Issue 1. The applicant contended his discharge was inequitable because it was too harsh and did not take into account the good things he did while in the service. The DRB took note of the applicant's duty performance as documented by his performance reports and other documents in his records and concluded that the discharge was inequitable. The Board found his supervisors' failure to document their assistance of the applicant as he prepared to take his Career Development Course (CDC) exams was substantial evidence to conclude that the applicant's discharge was inequitable and the reason for discharge should be changed from Unsatisfactory Performance to Secretarial Authority.

Issue 2. The applicant cited his desire to receive the G.I. Bill benefits as justification for change in the reason for discharge to Convenience of the Government. The DRB noted that when the applicant applied for these benefits, he signed a statement (DD Form 2366, on September 8, 1994) that he understood he must serve for at least 36 months and receive an Honorable discharge to receive future educational entitlements. While he received an Honorable service characterization, he only served for 30 months. The Board was sympathetic to the impact the loss of these benefits was having on the applicant, but this is not a matter of inequity or impropriety which would warrant a change in reason for his discharge.

Issue 3. The applicant requests that the reason for his discharge be changed to Convenience of the Government. The applicant asked that he not be labeled with "Unsatisfactory Performance." Unfortunately for the applicant, the DRB is bound by the Air Force regulations detailing what discharge type is appropriate under what circumstances. An involuntary discharge for the Convenience of the Government would only be appropriate if the applicant met one of the categories listed for such a discharge. While the applicant argued that he was discharged because the Air Force decided not to retrain him, it is not one of the categories listed under the Convenience of the Government discharge. The closest thing to it, governs cases when the member has insufficient retainability for required retraining. In the applicant's case, he was not serving overseas at the time of his discharge and he had not served at least 36 months, both of which are requirements for this category. In the absence of a more appropriate reason for discharge, the DRB believes the most accurate reason for his discharge from the Air Force is Secretarial Authority.

CONCLUSIONS: The Discharge Review Board concludes that the discharge was inconsistent with the procedural and substantive requirements of the discharge regulation because the applicant was unfairly

discharged prior to being given a fair opportunity to receive assistance in passing his CDCs. The Board
concludes that the applicant's reason for discharge is more accurately described by Secretarial Authority. The applicant's reason for the discharge should be changed to Secretarial Authority under the provisions of Title 10, USC 1553.

CONTINUATION OF ITEM 8, ISSUES (If applicable) get out, and the reason why I failed my CDC's was because when I got to Andrews AFB, mod (Family practice Clinic) there was 35 feet of medical Documents that was backed up from the 90's, years worth of back loged paper work. We worked 12 hrs shifts 7 days a week, night and day shift. It was very very hard to study and focus on CDC's. My 2'z years in the military was spent inside a fecord roum and I never got to experience any other jobs that A 4M031 could do, such as A+D, Systems, Aero Vac and the CDC's had evestions about those jobs, no hands on experience. My supervisors were very bad on making sure my CDC's were understood and going over them on regular basis, Colonel Prizer and My first sergent told me and my supervisor Stat —
