AIR FORCE DISCHARGE REVIEW BOARD DECISIONAL RATIONALE

FD-2008-00264

GENERAL: The applicant appeals for upgrade of discharge to honorable.

The applicant was offered a personal appearance before the Discharge Review Board (DRB) but declined to exercise this right.

The attached brief contains available pertinent data on the applicant and the factors leading to the discharge.

FINDINGS: Upgrade of discharge is denied.

The Board finds that neither the evidence of record nor that provided by the applicant substantiates an inequity or impropriety that would justify a change of discharge.

ISSUE:

Issue 1. Applicant contends discharge was inequitable because it was based on one isolated incident in 42 months of exemplary service with no other adverse action. The records indicated the applicant tested positive for marijuana and confessed to using marijuana. He received punishment under Article 15, UCMJ, for this drug abuse. The Board concluded that the negative aspects of the applicant's service outweighed the positive contributions he made in his Air Force career. The characterization of the discharge received by the applicant was found to be appropriate.

CONCLUSIONS: The Discharge Review Board concludes that the discharge was consistent with the procedural and substantive requirements of the discharge regulation and was within the discretion of the discharge authority and that the applicant was provided full administrative due process.

In view of the foregoing findings, the Board further concludes that there exists no legal or equitable basis for upgrade of discharge, thus the applicant's discharge should not be changed.
