

DEPARTMENT OF THE NAVY

BOARD FOR CORRECTION OF NAVAL RECORDS

2 NAVY ANNEX

WASHINGTON DC 20370-5100

CRS

Docket No: 2616-00

31 August 2000

[REDACTED]

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 30 August 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

The Board found that you enlisted in the Marine Corps on 17 March 1992 at age 19. On 26 October 1994 a substance use evaluation diagnosed you as being alcohol dependent. On 28 November 1994 you refused to participate in Level III Inpatient Treatment. Subsequently, on 8 February 1995 you received a general discharge by reason of alcohol abuse rehabilitation failure. At that time you were assigned a reenlistment code of RE-4.

Applicable regulations require the assignment of an RE-4 reenlistment code to individuals discharged because of alcohol abuse. Since you have been treated no differently than others discharged for that reason, the Board could not find an error or injustice in the assignment of the RE-4 reenlistment code. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

The Board did not consider whether your characterization of service should be changed, since you did not ask for such consideration and you have not exhausted your administrative

remedy by applying to the Naval Discharge Review Board (NDRB).  
You may apply to NDRB by submitting the attached DD Form 293.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director
