(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show Petitioner was entitled to payment of Basic Allowance for Subsistence (BAS) not available.

2. The Board, consisting of Messrs. Novello, Pfeiffer, and Taylor, reviewed Petitioner's allegations of error and injustice on 6 November 2001 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

a. Petitioner was authorized BAS for rations in kind not available effective 29 September 1997. Government dining facilities were not available for Petitioner to obtain her meals.
