

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

CRS
Docket No: 6466-00
16 July 2001

[REDACTED]

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, United States Code, Section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 11 July 2001. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

The Board found that you enlisted in the Naval Reserve on 12 March 1986 at age 22. You reported to active duty on 13 June 1987. A special court-martial convened on 28 January 1988 and you were found guilty of unauthorized absences totalling 78 days, disrespect, and use of cocaine. The court sentenced you to confinement at hard labor for 60 days, forfeitures of \$250 per month for two months, and a bad conduct discharge. You received the bad conduct discharge on 11 January 1989.

In its review of your application the Board carefully weighed all potentially mitigating factors, such as your youth and immaturity. However, the Board concluded that these factors were not sufficient to warrant recharacterization of your discharge due to the fact that your unauthorized absences totalled more than two months, and given your drug abuse. Based on the foregoing, the Board concluded that no change to the discharge is warranted. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
