BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

TRG
Docket No: 7174-01
11 October 2001

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF [REDACTED]

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) Case Summary
(2) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the United States Marine Corps Reserve filed an application with this Board requesting that his record be corrected to show that he transferred to the Retired Reserve vice being discharged on 8 October 1997.

2. The Board, consisting of Mr. Adams, Mr. Pfeiffer and Mr. Morgan, reviewed Petitioner's allegations of error and injustice on 10 October 2001 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Although it appears that Petitioner's application was not filed in a timely manner, it is in the interest of justice to waive the statute of limitations and review the application on its merits.

c. On 11 December 1991, Petitioner was issued a Notification of Eligibility for Retired Pay at Age 60. At that time, he was serving in the grade of MSGT (E-8). On 9 April 1995 he reenlisted for two years and subsequently extended that enlistment for six months. The Career Retirement Credit Report (CRCR) shows that at the end of his anniversary year on 7 November 1997, he was credited with 26 years of qualifying service for reserve retirement. There are no discharge entries in the record. However, his enlistment, as extended, expired on 8 October 1997. The CRCR shows that he was discharged on that

date.

d. The Board did not request an advisory opinion in this case. However, the Board is aware that Headquarters Marine Corps has routinely recommended corrective action in similar cases when an individual is qualified for reserve retirement and there is no explanation in the record why he was discharged and not retired.

e. The Board is aware that the Uniform Retirement Date Act, 5 U.S.C. 8301, requires that the effective date of any retirement be the first day of the month.

CONCLUSION:

Upon review and consideration of all the evidence of record the Board concludes that Petitioner's request warrants favorable action. The Board notes that Petitioner was in good standing in the Marine Corps Reserve and would have been retired if he had requested it. Therefore, the Board concludes that he should be transferred to the Retired Reserve in the grade of MSGT. Given the requirements of the Uniform Retirement Date Act, the retirement should be effective on 1 October 1997 vice the discharge of 8 October 1997 now of record.

The Board further concludes that this Report of Proceedings should be filed in Petitioner's naval record so that all future reviewers will understand his status in the Retired Reserve.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that he transferred to the Retired Reserve on 1 October 1997 in the grade of MSGT, vice being discharged on 8 October 1997.

b. That this Report of Proceedings be filed in Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
