(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show that when Petitioner graduated from the Naval Academy he was awarded a designator of 1100.

2. The Board, consisting of Messrs Dunn, Neuschafer, and Ms Schnittman, reviewed Petitioner's allegations of error and injustice on 14 November 2001 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. After reviewing the correspondence attached as enclosure (2), the Board concluded that the request has merit and warrants favorable action.

#### CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

That Petitioner's naval record be corrected, where appropriate, to show that:

a. When the Petitioner graduated from the naval Academy on 27 May 1992 he was awarded a designated of "1100" vice "1975". Additionally, anything that would normally be established, updated and etc., as a result of the additional active duty time toward his PEBD will be updated giving the Petitioner credit for the extra active duty.

b. That a copy of this Report of Proceedings be filed in Petitioner's naval record.
