Docket No: 6651-01

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 27 August 2002. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your late husband's naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by Headquarters Marine Corps, a copy of which is enclosed.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection the Board substantially concurred with the comments contained in the advisory opinion.

Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

Subj: REQUEST FOR ADVISORY OPINION(S) IN THE CASE OF  
THE [REDACTED] FORMER MARINE

1. During the period he served in the Marine Corps, the Purple Heart was authorized for award to those who were wounded or injured as a direct result of action by an enemy of the United States or an opposing armed force of a foreign country in which the Armed Forces of the United States was engaged.
2. A review of his records and the records at this Headquarters fails to reveal any documentation that he was injured under conditions for which the Purple Heart can be authorized. Therefore, it has been determined that he is not entitled to this award.
