BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

MEH:ddj  
Docket No: 177-03  
15 April 2003

[REDACTED]

Dear [REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 15 April 2003. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by NPC memorandum 1160 Ser 811/176 of 27 March 2003, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. When you reenlisted on 21 May 2002 you were a CTM and your Selective Reenlistment Bonus was paid accordingly. On 21 August 2002 your security clearance was revoked and you were subsequently converted to the MS rating. There are no provisions that allow for changing your reenlistment of 21 August 2002 to reflect the MS rating. The reenlistment is correct as it stands and there is no error for the Board to correct. In this connection, the Board disagreed with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board.

Docket No. 177-03

In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER  
Executive Director

1.

1. In response to reference (a), recommend adjustment to the petitioner's zone "B" SRB entitlement.

2. The petitioner received conversion approval from the MS rate to the CTM rate via the SCORE program on 19 July 2001. The petitioner reenlisted on 21 May 2002 for six years after completion of the CTM "A" school training and received a zone "B" SRB entitlement. The petitioner's EAOS at the time was 28 July 2002.

3. Reference (b) listed the zone "B" SRB entitlement for the CTM rate at the 1.5 award level. The petitioner's SCORE conversion approval date locked in the 1.5 award level in reference (b) and supersedes the reference (c) which was in effect at the time of reenlistment.

4. Per reference (d), the petitioner's access to classified material was terminated. This termination caused the petitioner to convert back to his original rating of MS. The petitioner requests to adjust his zone "B" SRB entitlement to reflect the MS rate at the award level of 1.0 offered in reference (c).

5. In view of the above, recommend the petitioner's six year SRB entitlement of 21 May 2002 be changed to reflect the MS(0000) rate at the award level of 1.0 vice the CTM(0000) rate at the 1.5 award level. This change will recoup the SRB overpayment for the CTM(0000) rate and adjust to MS rate entitlement.

6. This is an advisory memorandum to reference (a) for use by the Board for Correction of Naval Records (BCNR) only. Enclosure (1) is returned.
