

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

SJN  
Docket No: 09682-07  
17 November 2008

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 13 November 2008. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy and began a period of active duty on 17 November 1986 at age 25. On 10 February 1988 you received nonjudicial punishment (NJP) for wrongful use of marijuana. You received restriction, extra duty, a forfeiture of pay, and a reduction in paygrade.

On 28 March 1988, administrative discharge action was initiated to separate you by reason of misconduct due to drug abuse. You elected to consult with legal counsel and subsequently requested an administrative discharge board (ADB). Subsequently, on 20 May 1988 an ADB unanimously found that you had committed misconduct due to a pattern of misconduct, and recommended discharge under other than honorable conditions. Your commanding officer concurred with the ADB and forwarded your case to the discharge authority for review. On 14 July 1988, the discharge authority directed an other than honorable discharge by reason of misconduct due to drug abuse. You were so discharged on 29 July 1988.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge because of your misconduct that resulted in NJP for drug use. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
