

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

SJN
Docket No: 03168-08
20 February 2009

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 18 February 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You reenlisted in the Navy on 24 July 1964 after two years of honorable service. During the period from 2 October 1964 to 6 June 1967, you received five nonjudicial punishments (NJP's) for three instances of disobedience, three days of unauthorized absence (UA), and drug use. On 17 August 1967, you were convicted by civil authorities of driving while intoxicated. On 23 August 1967, you received a sixth NJP for nine days of UA. On 7 February 1968, you were convicted by special court-martial (SPCM) of 49 days of UA. You were sentenced to confinement at hard labor and a reduction in paygrade.

On 17 April 1968, you were processed for an administrative discharge by reason of unfitness. You elected to waive the right to have your case heard by a board of officers. On 22 April 1968, your commanding officer recommended an undesirable discharge by reason of unfitness. On 9 May 1968, the separation authority directed an undesirable discharge. You were so discharged on 24 May 1968.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the board found that these factors were not sufficient to warrant recharacterization of your discharge given your record of six NJP's, civil conviction, and conviction by SPCM for a period of UA that lasted over 30 days. The Board also noted that you waived the right to have your case heard by a board of officers, your best chance for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
