JSR  
Docket No: 05191-08  
7 August 2008

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

The memorandum for the record dated 11 July 2008, a copy of which is attached, shows that Headquarters Marine Corps (HQMC) is taking steps to have your Bronze Star (second award) for 18 April to 17 August 2005 entered in your naval record.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 7 August 2008. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the MFR and the advisory opinion from Headquarters Marine Corps dated 25 June 2008, a copy of which is also attached, and your letter dated 1 August 2008.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion in concluding your failures of selection to colonel should stand.

Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
