

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

CRS
Docket No: 7076-08
6 August 2008

From: Chairman, Board for Correction of Naval Records
To: Secretary of the Navy

Subj: FORMER [REDACTED]
REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552
(b) SECNAVINST 1910.4B

Encl: (1) DD Form 149
(2) Petitioner's naval record

1. Pursuant to the provisions of reference (a), Petitioner applied to this Board requesting his naval record be corrected by changing the reentry code he was assigned on 25 June 2008.

2. The Board, consisting of Ms. [REDACTED], Mr. [REDACTED] and Mr. [REDACTED] reviewed Petitioner's allegations of error and injustice on 30 July 2008 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy. Petitioner enlisted in the Navy on 2 April 2008. On 8 May 2008 a psychiatric evaluation diagnosed Petitioner as having parasomnia, a sleep disorder. On 25 June 2008 he received an entry level separation by reason of a condition, not a disability, and was assigned a reentry code of RE-4.

b. Applicable directives authorize the assignment of either an RE-3G or RE-4 reentry code to an individual discharged by reason of a condition not a disability.

CONCLUSION:

Upon review and consideration of all the evidence of record the Board concludes that Petitioner's request warrants favorable action. The Board concludes that the reentry code RE-3G, should now be assigned since his record does not warrant the most stigmatizing reentry code of RE-4. A code of RE-3G will alert

recruiting personnel that there was a problem with Petitioner's physical or mental state during the prior enlistment which must be resolved before reentry is authorized.

RECOMMENDATION:

a. That Petitioner's naval record be corrected to show that on 25 June 2008, he was assigned an RE-3G reentry code instead of the RE-4 reentry code actually assigned on that date.

b. That a copy of this Report of Proceedings be filed in Petitioner's naval record.

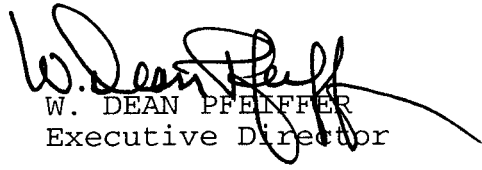

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

ROBERT D. ZSALMAN
Recorder

JAMES R. EXNICIOS
Acting Recorder

5. Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.

W. DEAN PFEIFFER
Executive Director
