2 NAVY ANNEX  
WASHINGTON DC 20370-5100

BAN  
Docket No: 07371-08  
18 June 2009

From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: REVIEW OF NAVAL RECORD OF [REDACTED]

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 with attachments  
(2) Case summary  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Petitioner, a former enlisted member of the United States Navy, filed enclosure (1) with this Board requesting, in effect, that his RE-4 reenlistment code be changed.

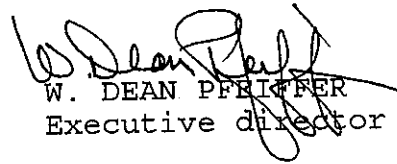

2. The Board, consisting of Messrs. [REDACTED] and [REDACTED], reviewed Petitioner's allegations of error and injustice on 6 May 2009 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations, and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. Petitioner enlisted in the Navy on 24 October 1990, and served without disciplinary incident. However, on 11 May 1992, Petitioner was offered treatment for alcohol dependency and refused treatment. Pursuant to MILPERSMAN 3630550, failure to complete an alcohol treatment program is grounds for separation. Therefore, he was separated from the naval service with an honorable discharge and an RE-4 reenlistment code. An RE-3G is also authorized for a condition which is not a disability.

announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
