1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the original enlisted performance evaluation report for 16 April 2007 to 15 April 2008 and the letter of transmittal forwarding a supplemental report for the same period, so that the supplemental report will be the only report in his record for the period involved. Copies of the original report, the letter of transmittal, and the supplemental report are at Tabs A, B and C, respectively.

2. The Board, consisting of Messrs. Hess, Pfeiffer and Zsalman, reviewed Petitioner's allegations of error and injustice on 11 September 2008, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Navy Personnel Command (NPC) office having cognizance over the

subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing therefrom the following original enlisted performance evaluation report and related material, including the transmittal letter dated 29 July 2008, leaving in the record the supplemental report for the same period:

Date of Report	Reporting Senior	Period of Report	
		From	To
15Apr08		16Apr07	15Apr08

b. That appropriate correction be made to the magnetic tape or microfilm maintained by NPC.

c. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

d. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
