From: Chairman, Board for Correction of Naval Records  
To: Secretary of the Navy

Subj: [REDACTED]  
REVIEW OF NAVAL RECORD

Ref: (a) 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 15 Sep 08 w/attachment  
(2) HQMC MIO memo dtd 14 Nov 08  
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the service record page 11b ("Administrative Remarks (1070)") entry dated 13 June 2006, a copy of which is in enclosure (1) at Tab A.

2. The Board, consisting of Messrs. W. Hicks, Ivins and Swarens, reviewed Petitioner's allegations of error and injustice on 20 November 2008, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Headquarters Marine Corps office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

b. The page 11a on which the contested entry appears also includes uncontested entries.

c. In correspondence attached as enclosure (2), the Headquarters Marine Corps office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing the undated service record page 11a ("Administrative Remarks (1070)") counseling entry concerning alleged "unsatisfactory performance and lack of professionalism while being assigned as a processing NCO in the operations section of the Syracuse, New York MEPS [Official Military Personnel File service - contracts folder, image 32]." This is to be accomplished by reconstructing the page 11a on which the entry appears, or completely obliterating the entry so it cannot be read, rather than merely lining through the entry.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

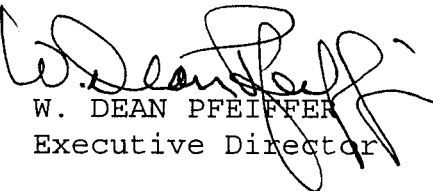

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the

foregoing is a true and complete record of the Board's proceedings in the above entitled matter.

Pursuant to the delegation of authority set out in Section 6(e) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(e)) and having assured compliance with its provisions, it is hereby announced that the foregoing corrective action, taken under the authority of reference (a), has been approved by the Board on behalf of the Secretary of the Navy.
