

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

SJN
Docket No: 10267-08
5 October 2009

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10, of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 29 September 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps and began a period of active duty on 29 December 1982 at age 18. On 25 June 1984, you were convicted by summary court-martial (SCM) of 34 days of unauthorized absence (UA). On 8 August and 18 September 1984, you received nonjudicial punishment (NJP) for disobedience, disrespectful language, and destruction of property. Additionally, you were counseled and warned that further misconduct could result in administrative discharge action. On 14 December 1984, you were convicted by special court-martial (SPCM) of three periods of UA totaling 20 days, not having an Armed Forces Identification Card, and two specifications of wrongful appropriation. You were sentenced to confinement at hard labor, a forfeiture of pay, and a bad conduct discharge (BCD). You received the BCD after appellate review was completed.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth, overall record of service, and the character letters accompanying your application. Nevertheless, the Board found that these factors were not sufficient to warrant recharacterization of your

discharge given your SCM conviction, two NJP's, and conviction by SPCM for very serious offenses. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
