

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

REC  
Docket No: 10965-08  
8 October 2009

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10, of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 23 September 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Marine Corps on 3 May 1982. On 25 June 1986, you received nonjudicial punishment (NJP) for wrongful use of marijuana. On 16 October 1986, you received a special court-martial (SPCM) for stealing \$140.00 from a fellow service member. You were sentenced to a reduction in paygrade, confinement at hard labor, forfeiture of pay and allowances, and a bad conduct discharge (BCD). You received the BCD after appellate review was completed.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board found that these factors were not sufficient to warrant recharacterization of your discharge given your record of NJP for drug use, and conviction by SPCM for larceny. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board.

In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
