

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

TAL  
Docket No: 01929-09  
7 December 2009

[REDACTED]

[REDACTED]:

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 24 November 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

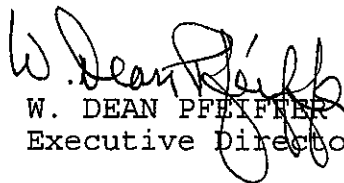

You enlisted in the Navy and began a period of active duty on 21 January 1977 at age 18. On 16 July 1977, you received nonjudicial punishment (NJP) for a three day period of unauthorized absence (UA) from your unit. On 22 July 1977, you received NJP for two instances of UA from your appointed place of duty. On 28 October 1977, you received NJP for a nine day period of UA from your unit. On 28 September 1978, you received NJP for a nine day period of UA from your unit. On 26 October 1978, you received NJP for a 19 day period of UA from your unit. On 7 December 1978, you received NJP for an eight day period of UA from your unit. On 21 April 1978, you were convicted by special court-martial (SPCM) of a 599 day period of UA from your unit. You were sentenced to 60 days of confinement and a bad conduct discharge (BCD). You received the BCD after appellate review was completed.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board found that these factors were not sufficient to warrant recharacterization of your discharge given the seriousness of your misconduct that resulted in six NJP's and one SPCM conviction for a period of UA

that lasted over one year and seven months. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
