(3) Subject's naval record

1. Pursuant to the provisions of reference (a) Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show the Petitioner submitted a request for an extension of his entitlement to ship household goods (HHG) at government expense incident to his release from active duty.

2. The Board, consisting of Messrs. Exnicios, George, and Pfeiffer, reviewed Petitioner's allegations of error and injustice on 27 April 2009 and, pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the office having cognizance over the subject matter addressed in Petitioner's application has commented to the effect that the request has merit and warrants favorable action.

CONCLUSION

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an injustice warranting the following corrective action.

RECOMMENDATION:

That Petitioner's naval record be corrected, where appropriate, to show that:

a. On 15 April 2008 Petitioner submitted a letter to the appropriate naval authorities requesting an extension of the 180-day period in which to ship his HHG at government expense incident to his release from active duty. b. A copy of this Report of Proceedings will be filed in Petitioner's naval record.
