REVIEW OF NAVAL RECORD

Ref: (a) Title 10 U.S.C. 1552

Encl: (1) DD Form 149 dtd 26 Mar 09 w/attachments
(2) HQMC MMOA-4 memo dtd 27 Apr 09
(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed written application, enclosure (1), with this Board requesting, in effect, that his naval record be corrected by removing his failure of selection for promotion before the Fiscal Year (FY) 2010 Lieutenant Colonel Selection Board, so as to be considered by the selection board next convened to consider officers of his category for promotion to lieutenant colonel as an officer who has not failed of selection for promotion to that grade.

2. The Board, consisting of Ms. Humberd and Messrs. Bowen and Zsalman, reviewed Petitioner's allegations of error and injustice on 30 April 2009, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies which were available under existing law and regulations within the Department of the Navy.

b. In correspondence at enclosure (2), the Headquarters Marine Corps office with cognizance over the subject matter of Petitioner's case has commented to the effect his request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of enclosure (2), the Board finds an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected so that he will be considered by the earliest possible selection board convened to consider officers of his category for promotion to lieutenant colonel as an officer who has not failed of selection for promotion to that grade.

b. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries be added to the record in the future.

c. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
