

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

CRS  
Docket No: 4470-09  
17 November 2009

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 30 September 2009. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

The Board found that you enlisted in the Marine Corps on 24 January 1967. You were convicted by two special courts-martial of wrongful appropriation and stealing. On 3 November 1969 you were given diagnoses of an inadequate personality disorder and kleptomania.

On 8 November 1969 you submitted a written request for discharge for the good of the service in lieu of trial by court-martial for wrongful appropriation of a wallet. Prior to submitting this request you conferred with a qualified military lawyer who advised you of your rights and warned of the probable adverse consequences of receiving an undesirable discharge. Your request was approved by the discharge authority, and you received an undesirable discharge on 22 January 1970.

In its review of your application the Board carefully weighed all potentially mitigating factors, such as your unsubstantiated contention that you had symptoms of posttraumatic stress disorder (PTSD), which contributed to your misconduct. The Board found those contentions insufficient to warrant corrective action in

your case, given the serious nature of your offense.

In addition, the Board believes that considerable clemency was extended to you when your request for discharge was approved since, by that action, you avoided the possibility of a Federal conviction, confinement at hard labor and a punitive discharge. Further, the Board concluded that you received the benefit of your bargain when your request for discharge was granted, and you should not be permitted to change it now. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PREKNER  
Executive Director
