1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected by removing the enlisted performance evaluation report for 16 March to 1 October 2005, a copy of which is at Tab A, leaving in his record the report for 16 March to 4 October 2005, a copy of which is at Tab B.

2. The Board, consisting of Messrs. Grover, McBride and Sproul, reviewed Petitioner's allegations of error and injustice on 11 March 2010, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In enclosure (2), the Navy Personnel Command (NPC) office having cognizance over the subject matter of this case commented to the effect the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds the existence of an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected by removing the following enlisted performance evaluation report, leaving in the record the report for 16 March to 4 October 2005:

| Date of Report | Reporting Senior | Period of Report | |
|----------------|---|------------------|---------|
| | | From | To |
| 27Sep05 |  | 16Mar05 | 10Oct05 |

b. That NO memorandum be filed in place of the evaluation report to be removed, as this report is not needed to maintain continuity in Petitioner's record.

c. That appropriate corrections be made to the magnetic tape or microfilm maintained by NPC.

d. That any material or entries inconsistent with or relating to the Board's recommendation be corrected, removed or completely expunged from Petitioner's record and that no such entries or material be added to the record in the future.

e. That any material directed to be removed from Petitioner's naval record be returned to the Board, together with a copy of this Report of Proceedings, for retention in a confidential file maintained for such purpose, with no cross reference being made a part of Petitioner's naval record.

4. It is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
