

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
2 NAVY ANNEX  
WASHINGTON DC 20370-5100

BAN  
Docket No. 00769-10  
22 March 2010

This is in reference to your application for correction of your naval record pursuant to the provisions of 10 USC 1552.

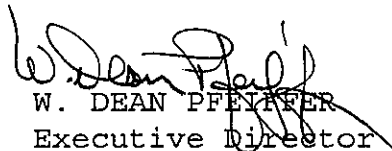

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 22 March 2010. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. The Board considered the advisory opinion furnished by HQMC memo 1070 MMSB-13 of 4 Mar 2010, a copy of which is attached.

Appropriate administrative corrections have been already been made to your official military personnel file to add your awards. In addition, after careful and conscientious consideration of the entire record regarding your request for a change to your DD Form 214 to show your discharge as Corporal vice Lance Corporal, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. Accordingly, that part of your request for correction has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is also important to keep in mind that a presumption of regularity attaches to all official

records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director

Enclosure
