BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

BJG
Docket No: 5536-10
10 February 2011

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 8 February 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You entered active duty in the Navy on 28 April 1980. You received nonjudicial punishment on five occasions for failure to obey a lawful regulation (two specifications), wrongful possession of marijuana (two specifications totaling 4.0 grams), wrongful use of marijuana (two specifications), assault, forging an inter-station pass, unauthorized absence (two specifications totaling 19 days), missing restriction (seven specifications), and missing the movement of your ship. You were notified that your commanding officer was recommending you for administrative separation with a conditions under other

than honorable (OTH) discharge due to misconduct (drug abuse - use). You waived all your procedural right to an administrative discharge board (ADB), and your right to request in-patient drug rehabilitation. On 13 October 1983, you received a conditions under OTH discharge due to misconduct (drug abuse - use).

In its review of your application, the Board carefully weighed all potentially mitigating factors, such as your youth and desire for veterans' benefits. However, the Board concluded that your discharge should not be changed due to your numerous acts of misconduct. The Board found that you waived your right to an ADB, your best opportunity for retention or a better characterization of service. You are advised that no discharge is upgraded automatically due solely to the passage of time or post service good conduct. In view of the above, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
