(3) Subject's naval record

1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the naval record of Subject, her late husband, be corrected to show that on 6 June 1941, he was advanced on the retired list to the grade of lieutenant junior grade (pay grade O-2), with a date of rank of 3 June 1940.

2. The Board, consisting of Ms. Aldrich and Messrs. McBride and Pfeiffer, reviewed Petitioner's allegations of error and injustice on 3 February 2011, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures, naval records, and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Navy Personnel Command office with cognizance over the subject matter of this case has commented to the effect the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of enclosure (2), the Board finds the existence of an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Subject's naval record be corrected to show that on 6 June 1941, he was advanced on the retired list to the grade of lieutenant junior grade, with a date of rank of 3 June 1940.

b. That any material or entries inconsistent with the Board's recommendation be corrected, removed or completely expunged from Subject's naval record and that no such entries or material be added to the record in the future.

c. That a copy of this Report of Proceedings be filed at an appropriate location in Subject's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Subject's naval record, for retention in a confidential file maintained for such purpose.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
