

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

CRS
Docket No: 6050-10
6 July 2010

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of Title 10 of the United States Code section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 16 June 2010. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

The Board found that you enlisted in the Navy Reserve on 10 October 1995. You were honorably released from active duty on 9 October 1998 in pay grade E-3 and transferred to the Navy Reserve. You were assigned a reentry code of RE-3R, as permitted by governing directives.

An RE-3R reentry code is the most favorable code authorized by regulatory guidance for individuals released from their initial period of active duty in pay grade E-3. The Board thus concluded that there is no error or injustice in your reentry code. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records.

Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFIEFFER
Executive Director
