

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
2 NAVY ANNEX
WASHINGTON DC 20370-5100

BJG
Docket No: 8762-10
18 May 2011

[REDACTED]

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 17 May 2011. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You reenlisted in the Navy on 20 December 1989 after more than five years of honorable service. You received nonjudicial punishment for the wrongful use of cocaine. You were notified that your commanding officer was recommending you for administrative separation with a conditions other than honorable (OTH) discharge due to misconduct (drug abuse - use). You exercised your procedural right to have your case heard by an administrative discharge board (ADB). At your ADB, you admitted that you had used cocaine, it found that you had

committed misconduct (drug abuse - use), and recommended that you receive an OTH characterization of service. The separation authority agreed with the ADB's finding and recommendation, and on 9 July 1993, you received the OTH discharge due to misconduct (drug abuse - use), and were assigned an RE-4 (not recommended for reenlistment) reentry code.

In its review of your application, the Board carefully weighed all potentially mitigating factors, such as your youth and prior honorable service. However, the Board concluded that your discharge should not be changed due to your drug abuse. You are advised that no discharge is upgraded due merely to the passage of time or post service good conduct. In view of the above, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

ROBERT D. ZSALMAN
Deputy Executive Director
