1. Pursuant to the provisions of reference (a), Subject, hereinafter referred to as Petitioner, filed enclosure (1) with this Board requesting, in effect, that the applicable naval record be corrected to show that his reenlistment in the United States Navy on 8 June 2009 was in pay grade E-3, rather than E-1.

2. The Board, consisting of Messrs. Dunn, Garst and Grover, reviewed Petitioner's allegations of error and injustice on 18 November 2010, and pursuant to its regulations, determined that the corrective action indicated below should be taken on the available evidence of record. Documentary material considered by the Board consisted of the enclosures and applicable statutes, regulations and policies.

3. The Board, having reviewed all the facts of record pertaining to Petitioner's allegations of error and injustice, finds as follows:

a. Before applying to this Board, Petitioner exhausted all administrative remedies available under existing law and regulations within the Department of the Navy.

b. In correspondence attached as enclosure (2), the Navy Recruiting Command office with cognizance over the subject matter of Petitioner's case commented to the effect the request has merit and warrants favorable action.

CONCLUSION:

Upon review and consideration of all the evidence of record, and especially in light of the contents of enclosure (2), the Board finds

the existence of an error and injustice warranting the following corrective action.

RECOMMENDATION:

a. That Petitioner's naval record be corrected, where appropriate, to show that his reenlistment in the United States Navy on 8 June 2009 was in pay grade E-3, rather than E-1.

b. That a copy of this Report of Proceedings be filed at an appropriate location in Petitioner's naval record, and that another copy of this report be returned to this Board, together with any material directed to be removed from Petitioner's record, for retention in a confidential file maintained for such purpose.

4. Pursuant to Section 6(c) of the revised Procedures of the Board for Correction of Naval Records (32 Code of Federal Regulations, Section 723.6(c)) it is certified that a quorum was present at the Board's review and deliberations, and that the foregoing is a true and complete record of the Board's proceedings in the above entitled matter.
