

DEPARTMENT OF THE NAVY
BOARD FOR CORRECTION OF NAVAL RECORDS
701 S. COURTHOUSE ROAD, SUITE 1001
ARLINGTON, VA 22204-2490

SJN
Docket No: 03720-11
27 January 2012

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 24 January 2012. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

On 25 July 1985, you were recalled to active duty after serving more than three years of prior honorable service. The Board found that on 21 October 1987, you received nonjudicial punishment (NJP) for wrongful use of cocaine. You were medically evaluated and on 11 January 1988, found to be psychologically dependent on drugs. Subsequently, administrative discharge action was initiated by reason of misconduct due to drug use. You waived your rights to consult counsel, submit a statement or have your case heard by an administrative discharge board (ADB). Your case was forwarded recommending that you be discharged under other than honorable (OTH) conditions by reason of misconduct. On 29 February 1988, the discharge authority concurred and directed an OTH discharge by reason of misconduct due to drug use. You were so discharged on 11 March 1988.

The Board, in its review of your application, carefully weighed all potentially mitigating factors, such as your prior honorable service and character letter from the Veterans Affairs office. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge given your NJP for drug use. Finally, the Board noted that you waived the right to an ADB, your best chance for retention or a better characterization of service. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director
