

DEPARTMENT OF THE NAVY  
BOARD FOR CORRECTION OF NAVAL RECORDS  
701 S. COURTHOUSE ROAD, SUITE 1001  
ARLINGTON, VA 22204-2490

TAL  
Docket No: 4040-11  
10 February 2012

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10, United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 2 February 2012. The names and votes of the members of the panel will be furnished upon request. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record, and applicable statutes, regulations, and policies.

After careful and conscientious consideration of the entire record, the Board found the evidence submitted was insufficient to establish the existence of probable material error or injustice.

You enlisted in the Navy Reserve and began a period of active duty on 15 February 1973 at age 17. On 7 September 1973 you were in an unauthorized absence (UA) status from your unit for a period of three days until you surrendered on 10 September 1973. On 10 September 1973 you were again UA from your unit for a period of 58 days until 7 November 1973. On 5 April 1974 you were UA from your unit for a period of 151 days until you were apprehended on 3 September 1974. During the preceding period of UA you wrote three insufficient fund checks that totaled \$130.00. On 8 January 1975, you were UA from your unit for a period of 243 days until you surrendered on 8 September 1975. On 15 December 1975, you were UA from your unit for a period of 20 days until you surrendered on 5 January 1976. On 11 February 1976, you submitted a written request for an other than

honorable (OTH) discharge in order to avoid trial by court-martial for the pending charges. Prior to submitting this request you conferred with a qualified military lawyer at which time you were advised of your rights and warned of the probable adverse consequences of accepting such a discharge. Your request was granted and the separation authority directed your OTH discharge. As a result of this action, you were spared the stigma of a court-martial conviction and the potential penalties of a punitive discharge and confinement at hard labor. On 19 March 1976 you were discharged under OTH conditions.

The Board, in its review of your entire record and application carefully weighed all potentially mitigating factors, such as your youth and overall record of service. Nevertheless, the Board concluded these factors were not sufficient to warrant recharacterization of your discharge given the seriousness of your misconduct that resulted in periods of UA that totaled over one year and 10 months and request for discharge. The Board believed that considerable clemency was extended to you when your request for discharge to avoid trial by court-martial was approved. Finally, the Board concluded that you received the benefit of your bargain with the Navy when your request for discharge was granted and should not be permitted to change it now. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

  
W. DEAN PFEIFFER  
Executive Director
